Lawrence, Kansas.

Dear Gerald:

Thanks very much for writing Mr. George W. Olinger regarding the pack of inspirational cards. They were received and I am delighted to have them.

I spoke out at Russell, Kansas, about two weeks ago to a group of thirty Junior Rotarians. It was a noon meeting of the Rotary Club at Russell. Prior to my going, I dug back into some old files and pulled out a letter dated November 18, 1929, from George W. Olinger, Chairman of Boys' Work Committee, R. I. He was writing me to congratulate me on my 44th birthday. I used this letter at that meeting with good effect. I thought it was an unusual coincidence.

Sincerely yours,

Director of Physical Education,  
Varsity Basketball Coach.
