Dear "Phog" and Mrs. Allen:

If you have not already received, from the Alumni Association of the University of Kansas, a ballot for the election of officers for the ensuing year you should have it within a day or two. Both tickets are composed of very fine, loyal Jayhawkers.

The slate proposed by the Committee of which Thornton Cooke is Chairman, is headed by Charles B. Shaeffer as the candidate for President. Charlie is a very good business man and a wonderfully fine fellow. During the next year plans will be made for the erection of a suitable war memorial and the Alumni Association will have a very important part to play in this project. I am sure you agree that it is essential that a level-headed hard worker be President of the Alumni Association during this time.

Those of us who know Charlie Shaeffer recommend him very highly. Personally, I am very strong for him and I hope that as soon as your ballot is received you will mark an "X" opposite his name and return it to the Alumni office.

Sincerely yours,

J. C. Morrow
