Dear Phog:

I received your Jayhawk Rebounds #13 and it amazes me how you can find the time to put out such a voluminous document.

You certainly have a world of interesting dope in there and I enjoyed it very much. It is very thoughtful of you to send it to me and I think an extremely thoughtful gesture on your part to keep track of all your boys, through the medium of the Jayhawk Rebounds. I know a fellow across the water certainly must get a kick out of it.

While I, as you know, was not on any of the athletic teams at K. U., I know all the people you are talking about and most of them are my friends, and I again want to say to you, I enjoy reading this and appreciate your thoughtfulness in sending it to me.

Very truly yours,

Albert E. Haas
