

Got a copy of "Rebonds"  
the other day and thanks  
for the write-up.  
Have been keeping  
up with a few of your  
activities from the  
journal world and the  
folks at home. Didn't  
know you were keeping  
tabs on me.

Have an idea that  
a lot of the boys  
have dropped by to  
see you after they  
got back from  
overseas. So you  
probably do well
