Dear Phog:

Thanks for your fine letter. When we get this kind of word from our old and sincere friends, it makes us feel good.

It takes experience to teach us what a great loss it is out of our life -- the loss of our Mother. We are very thankful that we reached home and spent a few days with her before her going and that it has been our great good fortune to have her for these many years.

Again permit us to express our appreciation for your friendly message. It is our friends that make these losses easier to take.

Sincerely,

Mr & Mrs. Lacy Haynes
