we talked until time to take us back. I was
very much impressed with his hospitality &
friendliness. He is really a swell person and
of course he had received your letter stating of
my presence here. We had very much in
common to discuss & I might say very much
centered around you & K. U. It was really good
to discuss sports and events we were both
interested in. I also want to take this opportunity
to thank you for the "Rebounds"; they are really
a marvelous idea & I know every one who
reads them has the same opinion. My arm
is really improving (I thank for the advice). I can
now write, although there is only 35° flexion
in my elbow. Give my regards to I think, I straight,
and Miss Hulster.
