Mr. Bob Barton,  
1015 West 70th St.,  
Kansas City, Mo.

Dear Bob:

About the only place that I can think of available, Bob, would be either the Colonial Tea Room or the Lawrence Country Club. There may be other places, but this war effort at DeSoto has certainly congested things here in Lawrence.

If there is any way that I can help you out further please let me hear from you.

Fraternally,

Director of Physical Education,  
Varsity Basketball Coach.
