

U. S. ARMY AIR FORCES

more weeks we go to Douglas, Ariz.
for Officer's Training.

I had quite a surprise the other
day when we reported to the flight
line as there was Ray Ribble, one of the
instrument instructors. He is a
2nd Lt. I took him the latest Jayhawker
and he sure enjoyed reading it.

I know how busy you must
be, Dr. Allen, and I want to say
how swell it is of you to send
all the boys the news of each other.
I have been away from school for
a long time, it seems, and there is
nothing more enjoyable ^{than} to read
about all the boys.

With best wishes to you and
your family, I am

Sincerely Yours
Vance Hall.
