REDISTRIBUTION STATION No. 2

MIAMI BEACH, FLORIDA

December 19

Dear Mr. Allen,

*I am still stationed
on the sunny beach
of Florida. I have been
here a year now, and
I enjoy my work more
every day. Our program
has enlarged and that
makes for more activity.*

*The Red Cross and the
Physical Training Department
are doing late in helping
the fellows enjoy their
stay at the Redistribution
Station.*
