

THE FIRST METHODIST CHURCH
SALINA, KANSAS

ROBERT A. HUNT, MINISTER

November 29, 1943

Dr. Forrest C. Allen
Director of Physical Education
University of Kansas
Lawrence, Kansas

My dear Dr. Allen:

It was a disappointment to me to not see you when you were in Salina. Mrs. Hunt has been away for more than two weeks, and I left Salina Monday morning, November 22, to go to Lebo, Kansas, and just returned late Sunday evening.

Our daughter Margaret, in whose home you stayed when you were there, spent a week in the hospital in Emporia; we brought her home last week. I intended to write you a letter before you came to Salina telling you I would not be in the city.

I heard your broadcast one night last week while sitting in the old Edwards Home Place at Lebo where Margaret now lives. It is just at the edge of the little town.

I trust all of your family are well. I used to hear from Mary once in a while, but she has ceased writing to me. If I had her address I would write to her. I have a little feeling of personal responsibility for her domestic happiness, and I like to keep in touch with her family. I would be glad to know also where Bobby is and what he is doing.

Our Bob said that he saw you recently when he was in Lawrence for a few hours. He writes me that they are re-classifying them now to see if they are in the place for which they are best fitted. With that as a measuring stick, I should think that he would stay right where he is.

Kindest regards to Mrs. Allen, Mit, and the rest of your family and best wishes for a happy Christmas season.

Most cordially,

RAH:js

Robert A. Hunt
