Dear Mr. Elwell:

There is a young man here at the University, a freshman this summer, who is desirous of getting into a hotel or camp for the remainder of the summer. His name is Bob Bayles, the son of Mr. C. G. Bayles, Superintendent of Buildings and Grounds at the University.

I called Mr. Henry Asher, of Lawrence, and he gave me your name as someone who might know of available work for this young man. I am just writing for Bob because he didn't know about making the connections.

Bob Bayles is a fine, clean, upstanding young man, intelligent, aggressive and highly cultured, yet not afraid to work. If you know of anything available for this young man I would appreciate hearing from you. I am enclosing a data sheet showing something of his qualifications.

Very sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
