Mr. William G. Hook,
830 First National Bank Bldg.,
Wichita, Kansas.

Dear Bill:

Your letter regarding Allen Burch, Kansas Alpha '14, came to the house when Mit was here, and we all enjoyed hearing from you, and we assure you and Allen Burch that we are strong for you.

I also received a postcard from Tom Harley, an old Lawrence lawyer in Wichita asking that we do likewise.

I trust that he and you are successful in your quest to land him in the Supreme Court. He is very deserving.

Fraternally yours,

Director of Physical Education,
Varsity Basketball Coach.
