Mr. Forrest C. Allen,  
Director of Physical Education, K.U.,  
801 Louisiana,  
Lawrence, Kansas.

Dear Brother Phi Psi:

Allen Burch, Kansas Alpha '14, more familiarly known to his brothers in the fraternity as "Doc" Burch, is a candidate for nomination to the Supreme Court of Kansas.

I am pleased to recommend Allen Burch to you for two reasons. He has been a good Phi Psi for thirty years and it would be a distinct honor to the fraternity to have a member of Phi Kappa Psi on the Supreme Court of Kansas. As a fellow attorney practicing in Doc's home town, I am acquainted with his legal ability and background and I know he is the caliber of man we need on our Supreme Court.

Allen Burch is a graduate of our own University of Kansas Law School. He has practiced in the state and Federal Courts for twenty-seven years, and would bring to the Supreme Court a working knowledge of law and justice.

If you are a Republican, I solicit your active support for the candidacy of our Brother Phi Psi at the primary election August 1st. If you aren't a Republican, I hope you will support Brother Allen Burch at the general election, provided he secures the nomination to the Supreme Court at the Republican primary.

Sincerely and fraternally,

*William C. Hook*
