Kansas City 5, Missouri.

Dear Mr. and Mrs. Hansen:

It was good to see Mr. Hansen at the banquet and to know that he still retains his exceptional interest in youth. The fact that he asked to take a boy along as a son shows that he is vitally interested even though he could not have either Edward or Stan there.

I am sending you a Jayhawk Rebounds and am also putting Stan and Edward on the mailing list along with the Hansen family.

I trust that you both are in the best of health, and I sincerely hope that the breaks will come to Edward and Stan so they will both be returned safe and sound after this holocaust is over.

With all good wishes, I am

Sincerely yours,
