Mr. R. L. Holcomb,  
Assistant Director,  
Kansas City Police Academy,  
Kansas City, Missouri.

Dear Mr. Holcomb:

Your letter addressed to the Student Placement Service of the University of Kansas has been referred to our office for reply.

I regret to advise you that we do not have a young man at the present time who would fit into your scheme of things. The Army and Navy have placed such an emphasis upon physical conditioning that high schools and colleges are drained of these young men. If, however, someone should come to us that we could recommend we would be very happy to write you.

Very sincerely yours,

Director of Physical Education,  
Varsity Basketball Coach.
