

BOARD OF POLICE COMMISSIONERS

KANSAS CITY, MISSOURI

RICHARD R. FOSTER
CHIEF OF POLICE

April 3, 1944

Student Placement Service
University of Kansas
Lawrence, Kansas

Gentlemen:

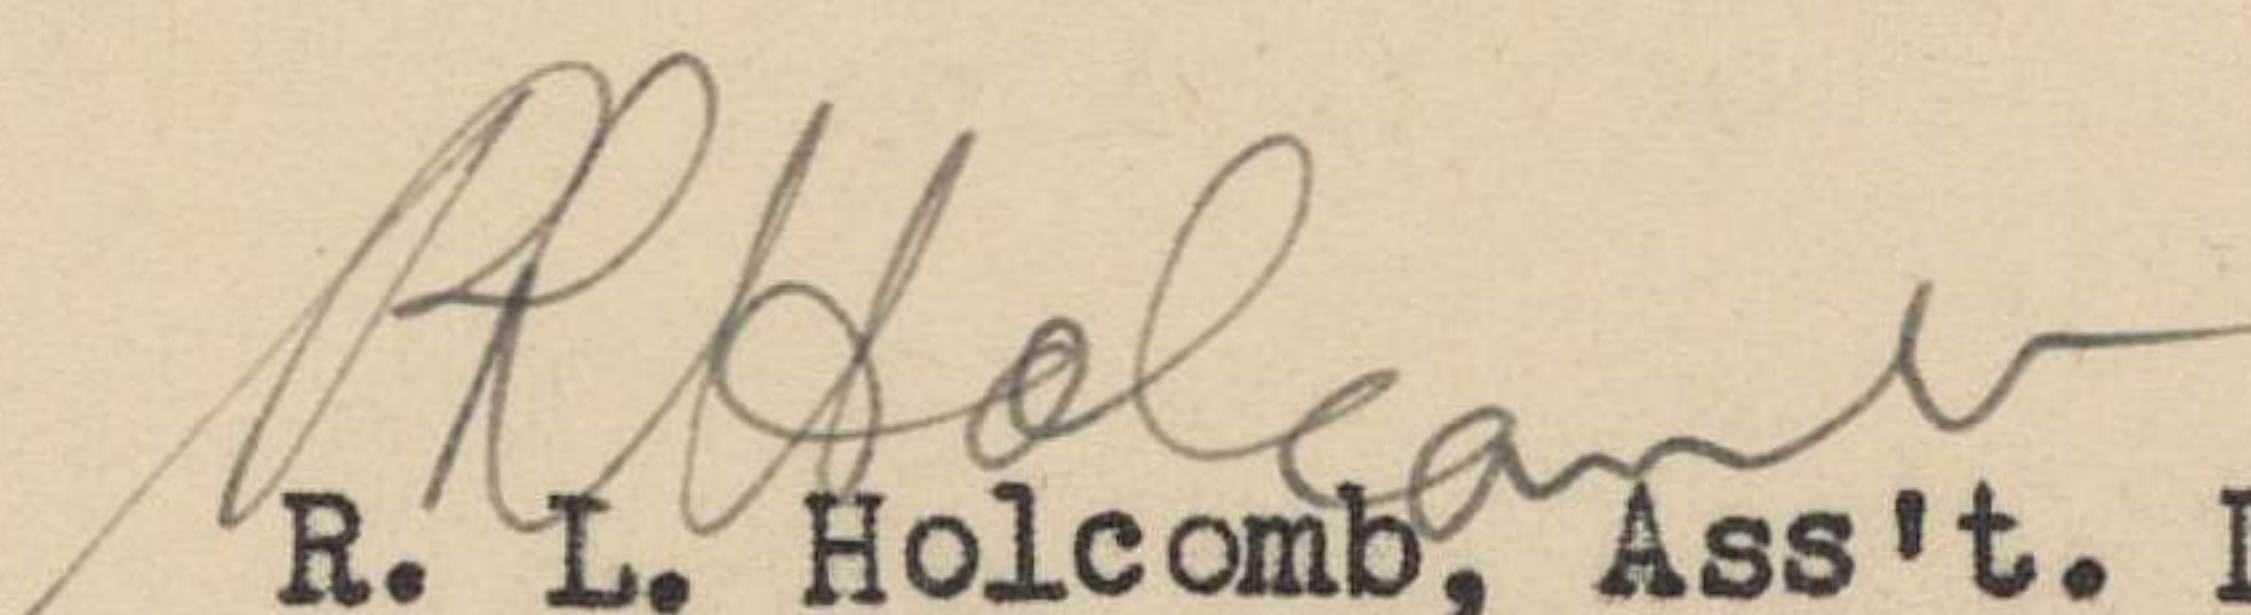

The Kansas City, Missouri Police Department has a vacancy in the position of Physical Director. This position would require someone with experience in physical conditioning, wrestling, boxing, weight lifting, etc. There is very little competitive activity, such as basketball, baseball or tennis.

We do not require, nor do we hope to be able to secure, a college graduate at the salary we are offering, as a starting salary would be about \$150.00 per month.

However, we thought that you might be able to suggest someone for such a position.

I will appreciate any assistance you might be able to give us.

Sincerely,

R. L. Holcomb, Ass't. Director
Kansas City Police Academy
