My dear Mr. Allen:

First of all permit me to congratulate you on the fact that our committee on selections picked one of your articles for inclusion in the 1944 issue of our Seal-O-San Basketball Coaches Digest. Knowing as I do the extent to which this committee goes in its search for articles of quality on the subject of basketball, I know that any man can feel highly complimented when one of his is chosen.

Secondly, I want to personally thank you for your gracious permission to use your article in our case and to express the hope that we may in some way in the future be able to reciprocate this favor. In the meantime I'm sending you a copy of the Digest for your files and should you desire any additional ones for any purpose, please don't hesitate to call on me.

With kindest personal regards and best wishes, remain

Yours sincerely,
Huntington Laboratories, Inc.

President.
