

I've seen a few old K. U. boys since I got in the army. Saw Bob Hagen & Herb Curran, both Army pilots, down in Florida over a year ago. Also Chet Gibson & Chet Friedland down there at the same time.

A little personal history: Got my commission the Signal Corps in Feb. '43, & transferred to pilot training last Sept., getting my wings just this May!

The "Oskaloosa Red-dog", Red Thompson is with an air corps outfit in Eng now. Heard Maj. Elbel was back in Lawrence on a visit last week.

My regards to you and Mrs. Allen, Joe, and thanks for any copies of "Rebounds" that you can spare.

Sincerely,

Lee Suddleston

P.S. My address is "50D, LAAF, Liberal, Kans.", but due to the quick changes of the army, you'd better send my copy to Oskaloosa, Ks.
