Dear Dad:

Just a little souvenir from
"One of Dad's boys" in India. I sincerely
hope that it has run a long
course of usefulness before you
give up coaching.

He who have benefited by
your teachings look forward,
with hope, to the day when our
youngsters can also come under
your wing. My little son has been
especially fortunate in an early
initiation into the group who look
up to you as a teacher & friend.

I'll be in for a chat some
day Dad - soon I hope

A. S. Gulten
