

Team.?

Have been looking for a rebound  
but can't expect one since I  
forgot to notify you my change  
of address.

The mail reaches us in pretty  
fair style so far. I've heard  
from the wife & saw an about  
5 occasions so its not so bad  
They are fine & the boy is growing  
fast. He is going to be a big boy.  
He is 8 weeks old + ~~11~~<sup>12</sup> lbs 1 oz  
& is 22 inches long by last  
reports. He is going to be a 6 footer  
& a candidate for your 1964 team.

Well I'll stop all this rambling  
and draw this to a close.  
Expect to be on the move soon  
so must mail this tonight.

Tell Dean hello for me + I  
think the cap he sent the boy  
was mighty cute. I'll drop  
him a line at the next post.

Best of Luck

Juddie Harris

P.S. Give the lesson too.
