Dear Dr. Allen:

Thank you for inviting us over last Saturday. We had postponed our meeting until that date so we were unable to come.

We had about sixty people here and hope we did justice to the problems involved. At least there seemed to be a great deal of interest. Personally, however, I feel the program will fall short of its goal in many places due to lack of "teeth" in the whole effort. As a State we are still a long way from "home base". On the other hand we have come a long way.

We would be glad to hear of your meeting if you have time.

Lots of luck with your ball team.

Sincerely,

S. R. Hukle
