Mr. Lacy Haynes,
Kansas Editor,
The Kansas City Star,
Kansas City, Kansas.

Dear Lacy:

Thanks a million! Your letter was swell, and you have already done loads and loads of constructive work for us.

Everybody seems to think that our conditioning program is going over swell. The Chancellor was in the office yesterday morning and told us that he thought we were doing a swell job. I really believe he thinks so.

I wanted to write you a longer letter but this is just a thank you note and I will make it up to you real soon - the next time I see you, which I hope won't be long.

I am writing Lacy, Jr.

With kindest regards to you and yours, I am

Appreciatively yours,

Director of Physical Education,
Varsity Basketball Coach.
