

Lt. Col José A. Baudean

Army of the Republic of Uruguay
Director, National School of Physical
Education

Founder of South American Olympics

Interested in athletics in general.

Wants to take back with him a general picture of a physical education program in a North American University, with emphasis on U.S. sports such as football, baseball, hockey, etc. Besides this information, Col Baudean wants a general picture of the methods of teaching athletics in this country, with reference to some of above mentioned sports.
