My dear Dr. Allen:

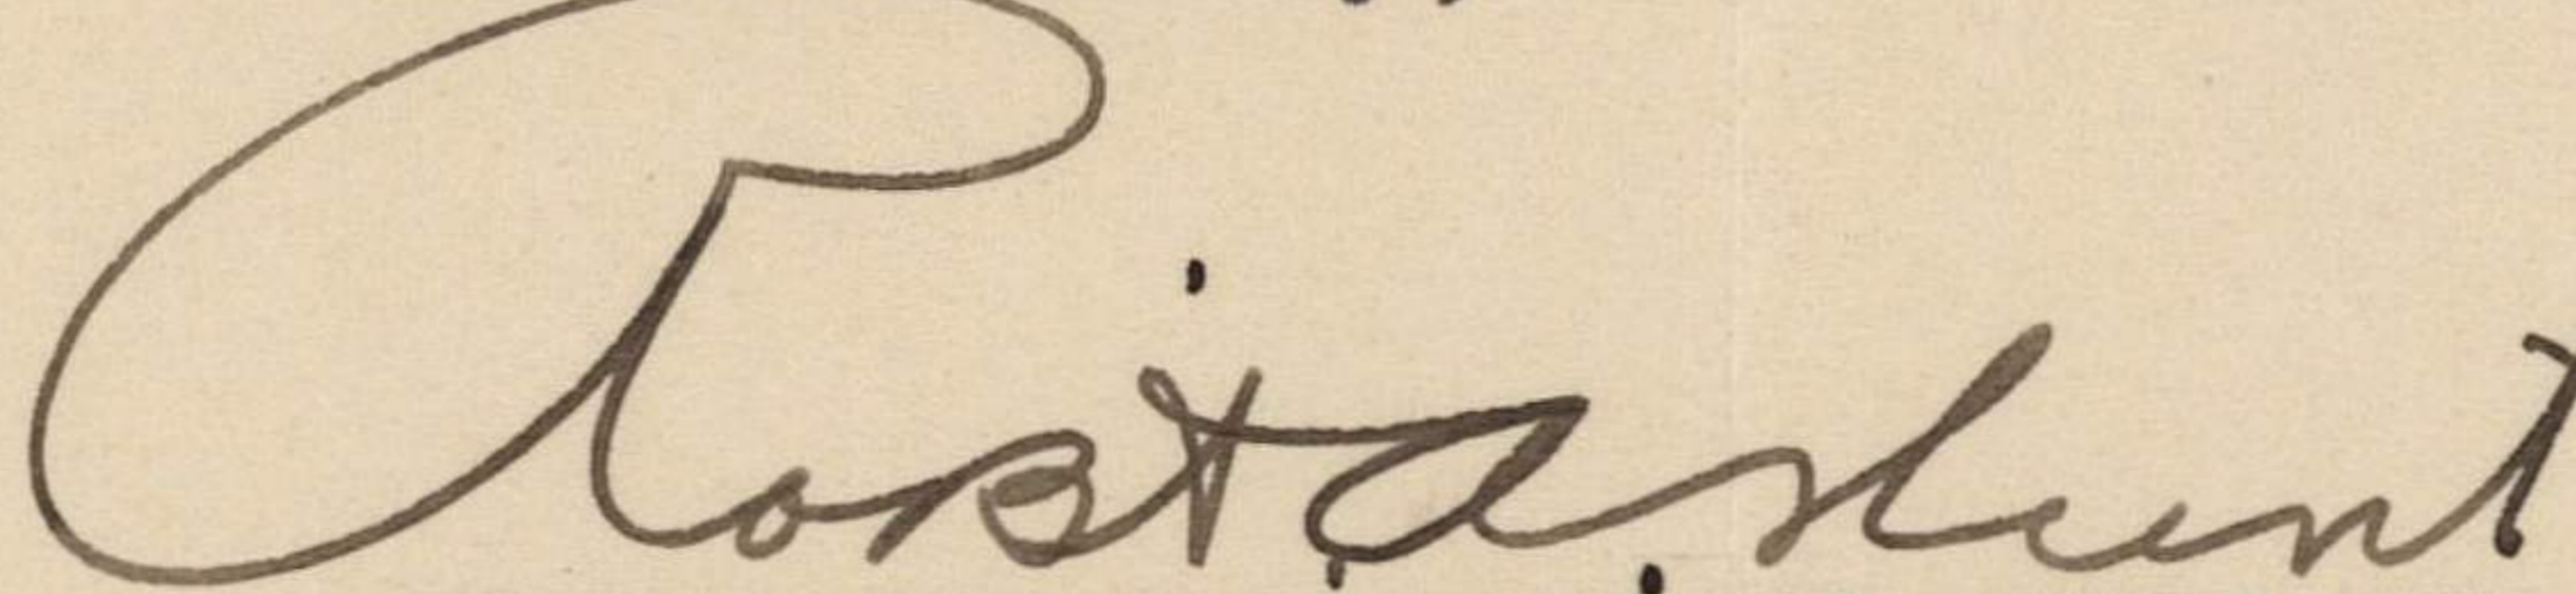

Congratulations on the success of your Basketball Team on its' eastern trip.

I was pleased to see that you reversed the score and then some on the Olathe Clippers last evening. I hope that your entire games in the Big 6 Conference will be as imposing in the score in your favor.

I am sending the clippings concerning your team to Robert, who will be quite interested in what you are doing this year. Robert is doing nicely as far as we know and we trust that he will continue where he is.

With best wishes and regards to Mrs. Allen and the family, I remain,

Most cordially,

Robert A. Hunt, Minister
