Dear Phog:

There isn't anything in the world I am not always happy to talk to you about. When you get into this "important" stuff that is kind of out of my league; but I will give you a minor leaguer's opinion on anything that affects the man I think has done more for boys in this section of the country than any other athletic man.

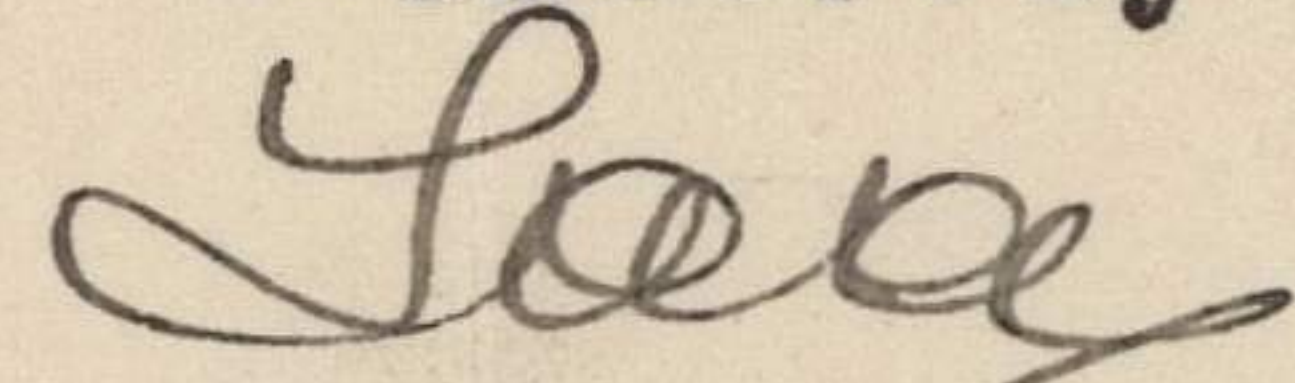

We certainly had a grand time as your guests at Madison Square Garden, and Lacy appreciated very much the opportunity to keep Chuck with him overnight.

I will be seeing you on the 16th, and of course we probably will miss you on the 29th of January which I will hate to do -- but that is the date of the Kansas Day celebration. However, I can get back for the 30th, and it is just possible I may get through in time to catch a train if they are on schedule, to see the game the 29th. I hate like the devil to miss your basketball games, and I have to figure up some way to get up to Lawrence, even if it means putting the car up for a month so I can drive up.

Thanks a lot for all the fine things you say about me, and don't hesitate to call on me any time.

With kindest regards and best wishes, I am

Sincerely yours,

Lacy Haynes
