Miami, Florida

Dear Doc:

I received your air mail letter last Friday and I want you to know I sincerely appreciate your efforts for my folks. You are a true and loyal friend and I shall never forget this deed. Your calling on them and offering Dad the job was a splendid gesture and I am positive your talk helped them to see the light a little better. It took a large worry off my mind to know that you called. I only wish Dad had taken the job you offered
