

We played the Seeb Chaser School
and they had the all American
Center from Wisconsin and
several college men. We lost
by 14 pts. When we played
Miami Air Station in the
first game we ran into an
old Celtic player. Last night
we lost to the District team
by 32-26. They had four
members of the ^{last years} Miami University
team. We should have won
this one. We managed to win
over the Army Air Corp. so our
record is won 1 lost 3. We
now start playing some of the
weaker sisters and should
win a few games. I hope
I can hold out but my
ankles are bothering me a
lot. They are not sprains but
swell up and ache. Must
be old age catching up. I feel
fine otherwise and am in
good shape. I weigh 180 lbs
too.
