

apply. I need three good letters
of recommendation from prominent
people and would I call on
you for one when the time comes.
I think I'll apply in February
or early March & can get a
Lieutenant Junior grade. I am
as well off now as a Chief Petty
Officer as I would be by Junior
Ensign. It is fairly certain
that I can get the commission if
I get all the necessary papers to-
gether. I think the duty will
be in South America or some
small islands close by.

I must get to work so will
call a halt. Give my regards
to Mit and family and thank
him for his help in my father's
behalf. The best of luck to you and
thanks again.
