

November 29

Dear Dr. Allen,

I am still in school and am working toward my degree. I am lucky enough to receive word from my local draft board that I will be able to finish my school year.

At present there is an opening at the Warrensburg Public High School. I have a chance to continue my work in school and also teach physical education and coach basketball. The Placement Bureau has ask me for some recommendations in letter form. I am writing you for such a letter. They want information that will class me as a teacher and a coach. your letter is to be address directly to the Placement Committee at the C. M. S. I. C.

Thanking you again for what you have done for me and for this favor.

your former student,

Ray Harris
