Dear Doc:

Received your splendid & newsy letter the other day but this is the first time I have had a chance to answer. Was very glad to know Mit was doing a swell job. I always thought he would make a good lawyer.

I ran across Chubb Meisenheimer the other day. I don't know if you knew him or not. He used to be coach at Bonner Springs several years ago and for the past 3 or 4 years has been personnel officer for the N. Y. A.
