

would have to be done on a sudden impulse - else why wouldn't he take an overdose of barbiturates or morphine? He was one of the most illustrious characters I ever knew.

Had dinner with Art Nichols (K.U. '43) the other night and while there met another K.U. man Dean Kepp M '43 from Junction City. As usual the conversation drifted around to Phog's basketball team. We all figure that if we take O.U. at Lawrence will win the Championship - How about it. I'll bet those boys would certainly be surprised if they knew how much guys ^{out here} are pulling for them. I wonder if they think about the guys out here as much as these fellows do about them.

So Dennie girls' on the road to being a musician? I hope she won't be too old to sing "Boo-a-bye" when I get home. The hardest thing of the whole war for me is missing her as she grows up. That's something I'll never have - but I won't regret it for she's the reason I'm out here today.

You won't be hearing from me for a while - So don't worry. Everything will be OK.

All my love, Dean
