Miss Marjorie Henry,
St. Luke's Hospital,
Kansas City, Mo.

Dear Miss Henry:

Thank you for your post card of last week. Well, I wore the red socks and we won, but I believe it will take more than the red socks up at Lincoln and Ames, because Charlie Black is in the hospital with pneumonia and of course will not play for some time.

I hope that your knee is getting along splendidly and that you will soon be out.

With all good wishes, I am

Sincerely yours,
