Dear Phog:

Congratulations on a successful eastern invasion! Had a great time at the Garden, and it was good to see the Allens. And how I loved that one point. And frankly, as a quarterback coach of a basketball team, the fact the game was a little ragged didn't bother me. Evidently you have the boys working smoothly for the rest of the trip, from the reports I read.

Good luck in the Big Six, which means so much more to you than the eastern invasion!

Sincerely yours,

*Lacy*
