Mr. Lacy Haynes,
Kansas City Star Bureau,
Kansas City, Kansas.

Dear Lacy:

Thanks, old fellow, a thousand times for your good wishes. We certainly appreciate anything like that from you.

It was a great delight to have the Haynes with us in New York. You were that good luck charm that we needed against Fordham. We have been going like a house afire in the last four games, and last Monday night we really stepped on the Clippers in no uncertain fashion.

I am writing you regarding the 16th of January. We are playing the iron man stunt in these games, playing Camp Crowder from Neosho, Missouri, and the Rosecrans Field Flyers, from St. Joseph, Missouri.

Then on the 29th of January we play the Clippers again, while Missouri plays the Great Lakes, and on the 30th we play the Great Lakes and Missouri plays the Clippers in double headers. So put those dates down in your book, and I will see that Jimmy Nixon doesn't forget you.

At the first opportunity that I have I want to meet you on a very important mission and ask your advice. You never miss in giving me the very stuff I want.

It was good to see Lacy, Jr., also. I am hoping that Mary Jane and Mrs. Haynes are as well and peppy as you always appear to be.

With all good wishes, I am

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
