Dr Forrest C. Allen
Lawrence, Kansas

Dear Mr. Allen.

would you do me a favor? I have
your Basketball Bible, Better Basketball
and we use your Hi goal.

In your books I have been unable
to find a weeks schedule of practice
for a high school team with a game
on Friday night.

The boys and myself would certainly
appreciate it if you would outline what
you think is a good practice schedule
for one week.

one of your ardent admirers,
Ralph Hammer
