Dear Dr. Allen and the members of the Community Recreation class:

I want to thank all of you for the surprise party you had for me. I mean I was really a surprise, too.

Irven and I were married Sunday and we've just come back from a trip to Colorado. He really got a kick out of the mock wedding and especially the 8 girls and the bat boy.

It was so nice of you all to think of doing something for me. Thanks for the gift and everything.

See you Wednesday in class.

Sincerely,

Ruth Kelley Hayden.
