Photographer, Associated Press,
Kansas City, Mo.

Dear Ward:

I cannot remember whether I wrote you to thank you for sending me those pictures of our conditioning class, or not. However, I want you to know that I very definitely appreciate your sending them to me, and this is evidence of the fact that I do appreciate them when I take time to write you this note.

I notice that you have gone to work for the Associated Press so I presume they are definitely keeping you busy most of the time. If at any time I can be of assistance or service to you, please feel free to call upon me.

Very sincerely yours,
