Dear Dr. Allen ~~and~~ Mrs. Hulteen,

Seriously, we are pressed from 6:00 in the morning 'til 10:00 at night, ~~and~~ we have no time to ourselves above some very little study time ~~and~~ time to write letters. If I can possibly find time I shall write, but it's not likely.

I can assure all the boys in civilian life there at K.U. that their physical training will stand them in good stead.

I hope you all have a pleasant summer ~~and~~ don't have to work too hard.

Sincerely,

F. D. Holland, Jr.
