Dear Doc - Thanks for your personal letter and the news bulletin about all the boys. Thanks also for your effort to locate the stop watch. I just imagined that a fellow like you who played the horses and one who had been around tracks, meets, etc., would have dozens of stop watches laying around. It's funny the idea a fellow can get about the other fellow's business. Things continue to go well with me tho I don't seem to get even close to any excitement. I hope you make every effort to put a team on the floor next season just so we can continue the string to twenty conference wins. Even if you have to play Hobbes and S. H. S. I think H. U. basketball should continue.

Regards. RST
