

swimming last Sunday over
at Miami Beach. We had a swell
time and are all tan as niggers.
I know George enjoyed your letter
too.

Max Reflogle flew in at this base
a week ago to see me. When he
landed the Captain of our Station
met him at his plane, a SNJ3, and
brought him to the recreation building
to see me. We had a fine visit
and enjoyed ourselves a great deal
rehashing old times. He had to
back me up on the calibre of
basketball played in Kansas. Before
this visit I was all alone in my
arguments but since Max
backed me up I've heard little
comment. Max is a Senior grade
lieutenant and looks fine. They
consider him the best fighter at
Opalocka air station.

Doc I'm out of space and news so
will close looking forward to another
letter from you.

Yours sincerely
Freddie Harris
