Mr. Doc:

Thanks for you swell letter of July 27.  
and all the nice things you wrote about  
the paper. Enclosed is another copy  
which I think is a decided improvement  
over the last issue.

Doc I understand perfectly your position  
and can not do anything but agree because  
you know as well as I do that it is the truth  
about the position Dad was offered. If  
you will remember in one letter to you  
I stated that I was disappointed  
in Dad not taking the job at K. U.  
even after he went to work at the  
sunflower plant. The work at K. U.  
around the athletes would do a  
lot to keep him young. He was  
always interested in sports so I know  
the job would have done him worlds  
of good altho the salary wouldnt
