Dear Doc:-

So that Kansas State would fit into a schedule, I have shifted our game with you from Sat. January 22 to a Friday nites game January 21 as previously mentioned to you. I hope this meets with your approval. OK

Talked to Mike on the phone the other day and he tells me that he has all the games booked. I'm suprised that we didn't have to have another meeting.

Please confirm this change of date, and good luck in your game with Missouri Sat.

Sincerely,

Bruce Drake  
Coach of Basketball
