Mr. Robert E. Hunt,

Parsons, Kansas.

Dear Bob:

This will acknowledge receipt of your letter of Sunday, June 7th. I know of no other procedure that you should take in your interview with Lt Commander Tunney.

You will remember, Bob, that I talked to both you and your father regarding a Physical Education degree, but your father thought that you would rather take the work under Dean Lawson and take enough coaching work to qualify for a teacher's diploma. Had you done this thing you would have already been enlisted in Tunney's earlier program.

With best wishes for your success, I am

Sincerely yours,
