

July 2, 1942.

Coach Victor Hurt,
Athletic Office.

Dear Vic:

This letter from Philip Dynan has been on my desk a week or so and has remained unanswered.

It is not necessary that you do anything about it at all, but I did not want to do anything and felt that it should be referred to you. He may write you, and again he may not.

Very cordially yours,

Director of Physical Education,
Varsity Basketball Coach.
