Dear Doc:-

Just got my letter from Reaves. It looks like the four team deal is washed, for I know Nebraska has games on either the 10th. or 11th. of Dec. I can play on those two nites or can play on Dec. 18th. Why couldn't we bring some Big Ten school in for those two dates in place of Neb?

What do you have in mind. I could play you with a couple of high school games thrown in as a warm-up, on Dec. 11 or on Dec. 18th. Now Doc don't you freeze me out on these dates for I'm counting on both of us cutting this mellow without the N. C. A. A. their usual 5%.

*getting*

Sincerely,

Bruce Drake  
Coach of Basketball
