Gentleman :-

I'm very happy to pass on some information concerning railroad transportation out of Norman which will prevent that mad rush to Oklahoma City after the game. The Santa Fe is now running a North bound train thru Norman that is scheduled to leave at 9:17. However this train on the average taken by me for the past week has been on an average of 15 minutes late. I'm sure that this new schedule will work out to your satisfaction.

Concerning feeding your team after the game. I will be more than glad to fill whatever menu you desire in the way of a box lunch and have it in your dressing room, for I know it will be impossible for you to secure food immediately here after the game. If you are interested just let me know and I'll do whatever I can to iron out this extraordinary difficulty that has caused you so much grief in previous years.

Sincerely,

Bruce Drake
Coach of Basketball
