Mr. Ben Hibbs, Editor,  
The Saturday Evening Post,  
Philadelphia, Pa.

Dear Ben:

The greatest thrill that we have gotten for a long time was when we read in the morning paper of the elevation of Ben Hibbs to the editorship of the Saturday Evening Post, and a comparable position on the Country Gentleman for Bob Reed.

I am wondering if you know how very proud it makes us Kansas folk. Words are not adequate to express our admiration and our joy in this signal honor to you.

With all good wishes, I am

Very sincerely yours,

Director of Physical Education and Recreation,  
Varsity Basketball and Baseball Coach.
