Dear "Phog":

I was gratified to read your comment in one of the daily papers concerning your willingness to schedule basketball games with your country cousins from Manhattan on the Kaw. I am just starting to make out a schedule and if you will send me the dates which are most satisfactory to you I will try my best to get the approval of the Athletic Council for them. Naturally I would like to schedule our home games for Saturday night if possible as we have the problem of getting our bleachers in place. Every day of the week except Saturday we have classes every hour until 5:40 in the evening however if we do not get the bleachers up our spectators will be obliged to watch the game from a standing position.

Sincerely yours

M. F. Ahearn
