Dear Bob:

Congratulations on your excellent coaching
record!

I will try to get out to Haskell to see you
and your team Friday night if I am in town. There is
a possibility that I might go up to Ames, Iowa, to see
Iowa State and Missouri play, and I may have to leave
by train rather early Friday. I think the train goes
about 9 o'clock, and I shall try at least to see the
first game.

With best wishes for your continued success,
I am

Very sincerely yours,
