Prof. V.P. Hessler
Marvin Hall
Campus

Dear Professor Hessler,

I have tried several times to reach you by telephone, but have been unsuccessful in my attempts. Thank you very much for calling me regarding the motors for the score boards.

Since I heard nothing more regarding the possibility of our receiving them, I assumed that we were defeated in our attempts to procure them. Thank you very much for your efforts. We will just carry on until such time as we are able to get some.

Sincerely yours,

FCA/pg

Director of Physical Education and Recreation
Varsity Basketball and Baseball Coach
